

PALOMAR COLLEGE Interior Design Program

ID

The Interior Design Program at Palomar College prepares students with the creative, technical, and critical thinking skills needed to enter the design field. The courses in the design program reflect the importance of both the technical skills and general education requirements that are necessary to prepare the student for a career in design.

Traditional and Online classes

We offer both in-person and on-line courses, allowing our student greater options. At this time a certificate or degree must incorporate traditional class settings due to the nature of our discipline.

*"Create your own visual
style; let it be unique
for yourself and yet
identifiable for others"*

- Orson Welles

"Truly elegant design
incorporates top-notch
functionality into a
simple, uncluttered form"

- David Lewis

Have nothing in your
house that you do not
know to be useful, or
believe to be beautiful.

-William Morris

A designer knows [s/he]
has achieved perfection
not when there is
nothing left to add,
but when there is nothing
left to take away.

-Antoine de Saint Exupery

The essence of Interior Design
will always be about people
and how they live;
it is about the realities of
what makes for an attractive,
civilized, meaningful
environment,
not about fashion
or what's in or what's out.
This is not an easy job.
